ATTENTION CRUISE SHIP PASSENGERS: A passport is the number one form of ID but is not required for this cruise. In lieu of a passport you will need your birth certificate or a certified copy of the original plus photo ID i.e. Driver's license. I have copied the below from Carnivals website

“Carnival highly recommends all guests travel with a passport (valid for at least six months beyond completion of travel). Although a passport is not required for U.S. citizens taking cruises that begin & end in the same U.S. port, travelling with a passport enhances your disembarkation experience, as delays may be expected upon your return to the U.S. if you do not have one. Additionally, passports make it easier for you to fly from the U.S. to a foreign port should you miss your scheduled port of embarkation, or need to fly back to the U.S. for emergency reasons”
